

## *Notes for Contributors*

### **a) Submission of Papers**

Authors should submit an electronic copy of their paper in Word format file with the final version of the manuscript by e-mail by attached file to the Editor-in-chief and the co-Editors:

Enrique del Acebo Ibáñez: edelacebo@yahoo.com

Helgi Gunnlaugsson: helgigun@hi.is

Daniel Chartier: chartier.daniel@uqam.ca

Jarkko Saarinen: jarkko.saarinen@oulu.fi

Anna Stammler-Gossmann: anna.stammler-gossmann@ulapland.fi

Jan Borm: jan.borm@uvsq.fr

Submission of a paper implies that it has not been published previously, that it is not under consideration for publication elsewhere, and that if accepted it will not be published elsewhere in the same form, in English or in any other language, without the written consent of the publisher.

### **b) Manuscript Preparation**

*General:* Manuscripts should not exceed 35 pages (including references and illustrations), and must be typewritten, double-spaced with wide margins on one side of white paper. The corresponding author should be identified (include a Fax number and E-mail address). Full postal addresses must be given for all co-authors. The Editors reserve the right to adjust style to certain standards of uniformity. A cover page should give the title of the manuscript, the author's name, position, institutional affiliation and complete address, telephone, fax and/or E-mail numbers. An acknowledgement may also be included on the cover page if so desired. The title but not the author's name should appear on the first page of the text.

*Abstracts:* An abstract of not more than 120 words and a list of up to 10

keywords should accompany each copy of the manuscript.

*Text:* Follow this order when typing manuscripts: Title, Authors, Affiliations, Abstract, Keywords, Main text, Acknowledgements, Appendix, References, Vitae, Figure Captions and then Tables. Do not import the Figures or Tables into your text, but supply them as separate files. The corresponding author should be identified with an asterisk and footnote. All other footnotes (except for table footnotes) should be identified with superscript Arabic numbers.

*References:* All publications cited in the text should be presented in a list of references following the text of the manuscript. In the text refer to the author's name (without initials), year of publication and possible page number(s) (e.g. Torpey 2000, 18). For more than three authors, use the first three authors followed by *et al.*

The list of references/bibliography should be arranged alphabetically by author's names. Names of the articles in edited volumes or journals are written inside the quotation marks. Journal titles and book names are italicised. Examples:

Torpey, John (2000): *The Invention of the Passport: Surveillance, Citizenship and the State*. New York: Cambridge University Press.

Levy, Jacob T. (2000): "Three Modes of Incorporating Indigenous Law". In: Kymlicka, Will & Norman, Wayne (eds.): *Citizenship in Diverse Societies*. Oxford: Oxford University Press, pp. 297–325.

Gilroy, Paul (1999): "Between Camps: Race and Culture in Postmodernity". In: *Economy and Society*. Vol. 28, no. 2, pp. 183–198.

Smith, Jane & Korsakofsy, Sacha (eds.) (1998): *Post-Capitalist Economies*. Anchorage: Alaska University Press.

*Illustrations:* All illustrations should be provided in camera-ready form, suitable for reproduction (which may include reduction) without retouching. Photographs, charts and diagrams are all to be referred to as "Figure(s)" and should be numbered consecutively in the order to which they are referred. They should accompany the manuscript, but should not be included within the text. All illustrations should be clearly marked on the back with the figure number and the author's name. All figures are to have a caption and source. Captions should be supplied on a separate sheet.

*Photographs:* Original photographs must be supplied as they are to be reproduced (e.g. black and white or color). If necessary, a scale should be marked on the photograph. Please note that photocopies of photographs are not acceptable. All photographs are to have a caption and source.

*Tables:* Tables should be numbered consecutively and given a suitable caption and each table typed on a separate sheet. Footnotes to tables should be typed below the table and should be referred to by superscript lowercase letters. No vertical rules should be used. Tables should not duplicate results presented elsewhere in the manuscript (e.g. in graphs). (Authors are responsible for obtaining permissions from copyright holders for reproducing any illustrations, tables, figures or lengthy quotations previously published elsewhere. Permission letters must be supplied to FAE and A & A Journal).

#### **c) Electronic Submission**

Please specify what software was used, including which release, and what computer was used (IBM compatible PC or Apple Macintosh). Always keep a backup copy of the electronic file for reference and safety. Send text-files in Microsoft Word (.doc) file form, or as .rtf-files.

#### **d) Copyright**

Authors are required to assign copyright to *A&A IJCSCI* and *Fundación de Altos Estudios Antárticos & Ambientes Extremos*, subject to retaining their right to reuse the material in other publication written or edited by themselves, and to be published at least one year after initial publication in the Journal, mentioning where it was published first.

#### **g) Book reviews**

We welcome book-reviews of academic or non-academic books concerning circumpolar socio-cultural issues. Book-reviews should not exceed three pages, and must be typewritten, double-spaced with wide margins on A4 paper. In addition to information about the writer of review (name, title and institutional affiliation) review should include full information about the reviewed book: Author(s), name, publisher, place of publishing and the number of pages.

### **e) Other contents**

Articles, notes, information about international conferences and seminars, and items of general circumpolar interest are also published.

### **f) Peer-review**

The Journal operates a blinded peer review process. The reviewers may at their own decision opt to reveal their name to the author in their review, although our policy practice is to remain both identities concealed. In general, Editors will seek advice from two or more expert reviewers about the scientific content and presentation of manuscripts. However, all submitted articles are reviewed at first by the Editors so that only those works that fit the editorial standards, and aims and scope of the Journal, will be sent for outside review.

The authors will be notified in case an article will not be published. Nonetheless, the Editors will not be held responsible for the return of the manuscripts.
